

# WOO HOO!

Hello fellow students! We are so excited you are all here!

Let us take this opportunity to introduce ourselves. We are Carmen Drummond, Mark Darby, and Blanca Cervantes— your very own Student Leadership Team for Region 15.

We would like to invite you all to check out the student section of the Region 15 website at <http://Region15.acui.org/Region/15/students>. In this section you will find our bio's, contact info, and links to student programs that we would like all of you to get involved in. You will also find links to our facebook and myspace pages, so check them out and add us as your friends! If you have any questions or concerns, be sure to let us know!

Have a fabulous conference!

## STUDENT TRACK

We encourage you all to participate in the Student Track Program. As a student, you may not know what to expect or how to get the most out of this conference. This is why the Student Track was developed. The Student Track will help you prepare for the conference and help you get the most out of it while you build relationships with other students. When attending the conference, you will learn that there are students on every campus that share similar experiences and responsibilities. Student Track will allow you to share ideas, gain new ones and build working relationships. This experience is invaluable. Students will receive a certificate upon completing the program.
